## wall plate holders

Perfect for areas where you want to display name plates or identification signage on a door, wall, cubicle or any other flat surface. This wall mounted holder has openings on either end that allow for the insert to be changed at a moment's notice.

**Features:**

- > Material: anodized aluminum
- > Lightweight and durable.
- > Material thickness: 1/16" thick

**Packaging:**

Sold in packs of 10.
